VIDEOLINK MIAMI/ FORT LAUDERDALE

Guests at VideoLink Miami will be met by a host at the front desk of the WPBT studio. We offer parking, free wi-fi and bottled water in our quiet green room, with rest rooms steps away.

VideoLink Miami is located at WPBT.

From N 20th St, enter the parking lot and stop at the guard shack. Notify them that you are there for a hit in the Annex 2 studio. Proceed straight and take first left, after the satellite dish, to the studio parking lot.

Once you have arrived at the studio, ring the buzzer on the door of Annex 2. The studio attendant will show you to the green room and studio space.
